THE THIRD AND FINAL ROUND OF SHINJI AND ZAIZEN'S BEST-OF-THREE MATCH IS ON THE LINE. IT WILL DECIDE WHETHER OR NOT THE DOJUKU INVESTMENT CLUB WILL CONTINUE TO EXIST.

THE 100 TRILLION YEN AGGREGATE VALUE BATTLE!

I'LL  
STEAL AS  
MANY TOP  
COMPANIES  
FROM HIM  
AS I CAN!

I'M ROLLING  
THE DICE WITH  
THE INTENTION  
OF TAKING  
ALL THE TOP  
COMPANIES!

I'VE GOT  
AN OVER-  
WHELMING  
ADVANTAGE  
OVER HIM.

ZAIZEN'S SECOND  
HALF IS GOING TO  
BE QUITE TOUGH  
ON HIM, HE'LL  
HAVE TO RACK  
UP THE FIGURES  
JUST RIGHT BY  
LANDING ON  
THE TOP  
COMPANIES.

日本銀行

ソニー

日本銀行

HE WANTED  
TO RIDE  
FANLIC'S  
MOMENTUM!

HE SENT THE  
MESSAGE TO  
SHINJI THAT HE  
WAS GOING TO  
MAKE A FAST  
TURNAROUND,  
RIDING FANLIC'S  
MOMENTUM INTO  
THE WORLD!

FANLIC'S  
ROBOT  
INDUSTRY IS  
GROWING  
RAPIDLY.

HIS EXPLANATIONS OF COMPANIES ARE BOTHERING ME...

DENSO GOES TO ZAIZEN-SAMA!

ZAIZEN-KUN IS LAYING EMPHASIS ON THE FLOW OF THE MATCH.

AND YET, WHY DID HE CHOOSE DENSO? HE COULD'VE PICKED FAST RETAILING.

ZAIZEN: 5  
SHINJI: 4

I SEE...  
I SEE WHAT HE'S DOING.

ZAIZEN-SAMA'S CHOICE!

SHIN-ETSU  
CHEMICAL!

THE NUMBER-  
ONE PRODUCER  
OF VINYL  
CHLORIDE  
RESINS AND  
SILICON SEMI-  
CONDUCTORS  
IN THE WORLD!

NICE  
GOING!

ALL  
RIGHT!

SHIN-ETSU  
CHEMICAL  
GOES TO  
ZAIZEN-  
SAMA!

DON'T  
WORRY,  
MIYUKI...

HE'S  
TOTALLY  
FOUND HIS  
MOMENTUM.

DO YOUR  
BEST, MY  
BROTHER!

SENSORS,  
INDUSTRIAL  
ROBOTICS,  
AUTO PARTS,  
VINYL  
CHLORIDE  
RESINS,  
CERAMIC  
CONDENSERS.

KEYENCE,  
FANUC,  
DENSO,  
SHIN-ETSU  
CHEMICAL,  
MURATA.

**MURATA**  
ELECTRONICS

THE FIVE  
LEADING  
JAPANESE  
MAKERS IN  
COMPETITION  
WITH THE  
WORLD!

I'VE  
ACQUIRED ALL  
BUSINESS-  
TO-BUSINESS  
COMPANIES  
WITH THE MOST  
MOMENTUM AND  
POTENTIAL FOR  
GROWTH!

HAS THE  
FLOW OF  
THE MATCH  
TURNED TO  
ZAIZEN'S  
FAVOR?

I NEVER  
EXPECTED  
TO LOSE  
THREE  
ROLLS IN  
A ROW.

NOW IT  
FEELS LIKE  
I'M ON THE  
DEFENSIVE.

THE TIDE  
TURNED  
SOMEWHAT  
WHEN I  
PICKED  
SONY.

I MUST  
FIGHT WITH  
FORWARD  
THINKING.

BUT THERE'S  
NO USE  
CRYING OVER  
SPILLED MILK.

BUT THE  
REAL  
BATTLE HAS  
ONLY JUST  
BEGUN.

THINGS  
HAVE GONE  
ACCORDING  
TO MY  
GAME PLAN  
SO FAR.

IT'S  
VIRTUALLY  
IMPOSSIBLE  
TO CATCH  
UP.

55 TRILLION.  
THAT'S A  
HUGE GAP.

IT'S GOING  
TO TAKE SOME  
DIFFICULT  
MANEUVERING  
TO CATCH UP.

...BEYOND  
THIS  
JUNCTURE...

THAT'S  
BECAUSE...

THE LOWER-RANKING COMPANIES FROM THIS POINT ON, ZAIGEN MOST LIKELY DOESN'T KNOW COMPANIES WHOSE AGGREGATE VALUES ARE UNDER 3 TRILLION.

HE'S REACHED THE BORDERLINE OF KNOWLEDGE OF AGGREGATE VALUES OF COMPANIES.

THE BATTLE HAS JUST BEGUN.

HE'LL HAVE TO FEEL HIS WAY AROUND AS HE MOVES FORWARD.

IT'S UNCHARTERED TERRITORY FROM THIS POINT ONWARD.

HE'S IN A  
WORLD OF  
TOTAL  
DARKNESS!
